*Where:* **City-County Building, 11th floor  
One Civic Plaza, NW**

**Mayor's Conference Room**

*Why:* In the United States, 43% of children under the age of six live beneath the poverty level. In New Mexico alone 22% of all children live below the poverty level. In such cases, these families lack basic necessities such as diapers, bottles, blankets and even car seats for their newborn babies. This month-long campaign is enlisting the support of our corporation in order to collect new baby items benefiting the families served by Presbyterian Hospital's PRESious Beginnings Program.

*How:* Bring in one, or more unwrapped baby items from the provided list. These items will be combined into Baby Bundles that will be returned to Presbyterian Hospital, and given to a baby to take home.
