

Long-Term Disability Coverage

The long-term disability (LTD) plan pays benefits if you become disabled for an extended period of time. If you are a full-time employee and you work a minimum of 20 hours per week, you may purchase LTD insurance through CIGNA. This plan is a voluntary plan, meaning if you participate you are responsible for the entire cost of the premium.

A sample contribution calculation

Your salary = \$32,000 at age 32

\$32,000 divided by 26 pay periods = \$1,231

\$1,231 multiplied by \$0.00406 (rate) = \$5.00 per paycheck

Bi-weekly salary maximum is \$3,846.

The LTD benefit provides you with income when you are unable to work for at least 90 days. Once you are disabled for 90 days of continuous disability, you will begin to receive disability benefits up to 60% of your eligible prior pay not to exceed \$5,000 of benefits per month. (The minimum monthly benefit is \$50.) The maximum amount may be reduced if you are receiving other sources of disability income from programs such as:

- Workers' compensation
- Social Security
- Another group disability or State disability plan
- A retirement plan, including PERA sponsored by your employer
- A dependent's coverage in which benefits are payable due to a covered person's disability
- Other government plans

If you are diagnosed with mental illness, drug or alcoholism benefits are limited to a 24-month lifetime maximum.

If you die while receiving benefits from the plan, a three-month sum will be paid to your beneficiary.

This plan contains a pre-existing limitation. This means that if you received medical treatment within three months before your coverage becomes effective, the plan will not pay benefits for a disability related to that condition. This limitation does not apply to a disability that begins after you are covered for at least 12 months after your coverage takes effect.

Definition of Disability

In order to receive benefits, you must be considered disabled under the plan, which generally means:

- **For the first 24 months of your disability**, you are not able to perform the duties of your own occupation and you are unable to earn more than 80% of your prior income.
- **After 24 months of disability**, you are not able to perform the duties of any occupation and you are unable to earn more than 60% of your prior income.

See the plan document for details, including limitations and exclusions.
