

# The BetterHealth Clinic

## PROMOTING A HEALTHY WORKFORCE

City of Albuquerque cares about your health and wellbeing, and we are proud to bring healthcare to your workplace. Employees can receive care quickly and conveniently during the work day.

Available to City of Albuquerque employees, spouses and children covered under the Presbyterian Health Plan.

## AVAILABLE SERVICES WITH NO OUT OF POCKET COST

- Urgent Care
- Preventive Care - Stay healthy with periodic screenings and care designed to help you live a longer and healthier life.
- Manage chronic conditions like diabetes and high blood pressure.

*We're by your side for your healthcare journey. If we can't treat you on site, we'll help refer you to someone who can, and we'll make sure we stay in-the-know about your progress.*
