STEP 8

Type "ts"

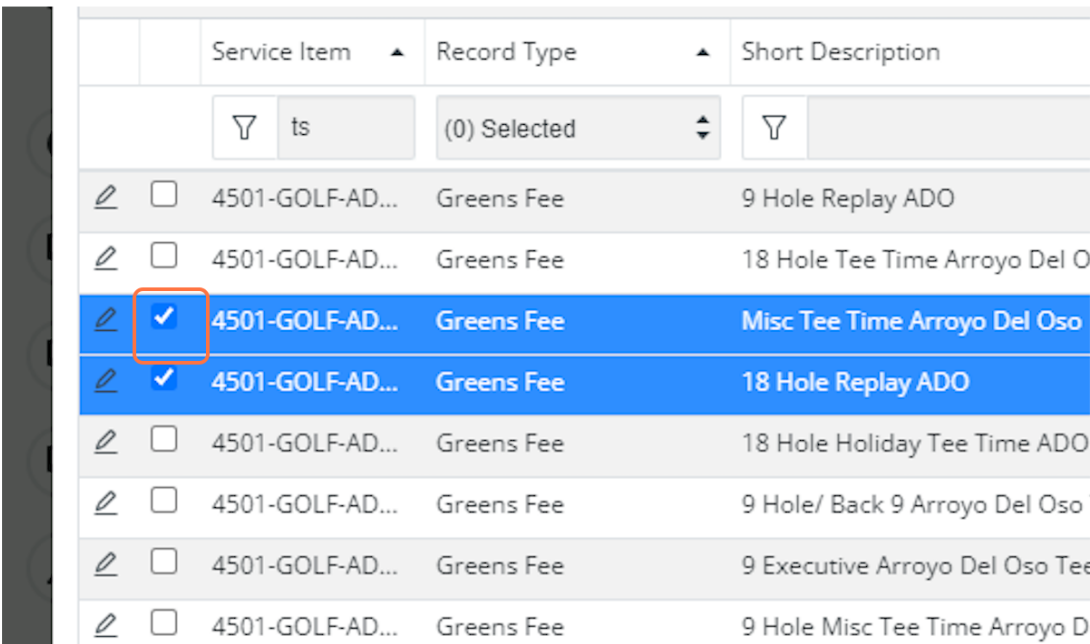

The screenshot shows the 'POS Service Item Management - Greens Fee' window. At the top, there are tabs for 'Options', 'Templates', and a checked box with '(3)' next to 'Refresh'. Below the tabs is a table with columns: 'Service Item', 'Record Type', and 'Short Description'. A search filter 'ts' is entered in the 'Service Item' column, and '(0) Selected' is shown in the 'Record Type' column. The table lists several items, with the first three highlighted in blue and checked.

Service Item	Record Type	Short Description
4501-GOLF-AD...	Greens Fee	9 Hole Replay ADO
4501-GOLF-AD...	Greens Fee	18 Hole Tee Time Arroyo Del Oso

STEP 12

You can see the changed service item here

The screenshot displays a configuration form for a service item. On the left, there are fields for 'Players' (set to 4) and 'Hole Course?' (with an information icon). The main section contains 'Permissions' (set to '(2) GC ADO Pro, GC Golf Managm...'), 'Turn Time' (set to 180), and 'Linked Service Items' (set to '4501-GOLF-ADO-PRO-TS18H', which is highlighted with a red border and an external link icon). To the right, an 'Additional Settings' sidebar includes 'Facility Location' (set to 'GC ADO Pro'), 'Bag Tag Template', and 'Tee Time Waiver'. A dark grey tooltip with the text '18 Hole Holiday Tee Time ADO' is positioned over the 'Linked Service Items' field. At the bottom, there are two blue bars with white icons.

STEP 13

Click on Save

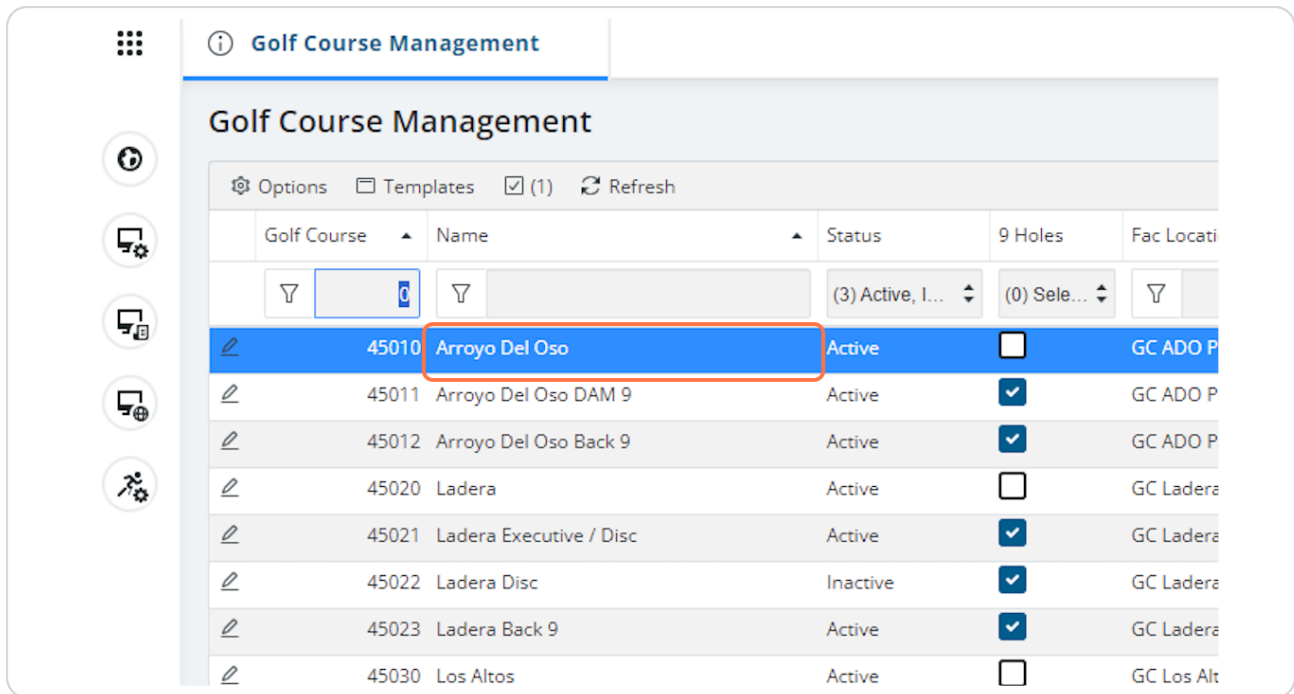

The screenshot shows a modal dialog box with a light blue background. At the bottom, there are two buttons: a white 'Cancel' button and a dark blue 'Save' button, which is highlighted with a red border.
